

OUTLAND MPH-204 CUTTER JAWS

SKU: OTL-MPH-204

Cutter jaws for the Outland MP-200 manipulator. Engineered for strength and durability, the MPH-204 delivers 136 kg (390 lb) of cutting force and slices through most ropes and cables. The hardened steel blades are replaceable, and the jaws swap onto the MP-200 in the field with the quick-change coupling.

Supplier: Outland Technology

TECHNICAL SPECIFICATIONS

General

Compatibility	Outland MP-200
Blade	Milwaukee 48-44-2778

Mechanical

Cutting force	136 kg
Max opening	45.7 mm
Material	Delrin, aluminium
Blade material	Hardened steel
Weight in air	0.65 kg
Weight in water	0.34 kg
